The highest handicap allowed for competition will be 25 or 9 holes. Five 5 scores (18 holes) or 10 (9 holes) must be turned in to establish a Handicap Index.

Course Etiquette and Expectations

When in league play with prizes available at the end of the game, exchange scorecards in your group so that you do not have your own card. Always double check hole by hole for scores and check your addition. Make sure two signatures are on the card when you submit the card to the pro shop. The ball must be holed out unless it is determined that you can pick up once you hit the max score for the hole.

Your foursome should be no more than a half a hole behind the foursome in front of you. Wait until the green is clear to approach on a par 3. On any other hole wait behind the 150 yard marker until the green is clear.

Cart Rules: All four tires should remain on the paths around the greens and tees.

Handicap flags: Carts must remain 30 yards from the greens, not where the flag is located.

Sand traps: Always rake your foot prints after completing your shot.

Divots: Fix divots on the fairway with sand and on the green with a tool.

Flag Stick: Do not toss/drop the flag stick to the ground. Lay the stick down carefully to protect the GPS device.

Cell phones: Refrain from taking calls while playing golf. Suggestion: place phone on vibrate so that ringtones do not disturb other golfers.

Smoking: Smoking is discouraged. Be discreet if you do smoke and clean up the debris.

TIPS TO SPEED PLAY

- ◆ Play ready golf. Be prepared to play your shot when it is your turn.
- ◆ If using a distance measuring device, find the distance while others play.
- ◆ Minimize practice swings.
- ◆ Carry a spare ball in your pocket.
- ◆ If you are the cart driver, drop your passenger off at her ball before you go to your ball.
- ◆ If you are a passenger, take more than one club to your shot and proceed down the fairway after your shot. Don't wait for the driver to pick you up.
- ◆ If your shot is a pitching wedge or sand wedge, automatically take your putter with you.
- ◆ Play a provisional ball when there is a possibility of a ball being lost or out of bounds
- ◆ Limit search for a lost ball to three minutes.
- ◆ Park carts to the side or behind the green so that when you are finished putting, you will be moving away from the field of play towards the next tee.
- ◆ Study line of putt while others are putting. Putt out whenever feasible (except in Match Play).
- ◆ The first player to complete putting is responsible for replacing the flagstick.
- ◆ Watch others hit so you may aid in finding their balls.
- ◆ After completing a hole, record scores and put away clubs on the next tee.
- ◆ All players have an obligation to play at a reasonable pace and keep up with the group ahead. Speed up your play or split into twosomes until you catch up.
