| <b>Apr 22, 2027</b> | <p><b>Derby Day!</b> Play will be from #2/#3 tees. Format is pure alternate shot. Each player will be assigned a partner based on handicap index &amp; the team will be the “horse”. The horses are divided into 2 groups –one group plays 1 – 9 and the other 10-18. One player from each team will tee off on the 1st hole (1 or 10) and play pure alternate shots thereafter for 9 holes. The “horse” with the highest score on each hole is eliminated. Ties on a hole are decided by a chip-off. Players decide who will chip-off. The referee will choose the spot to chip from - other contenders cannot watch. The chip off winner horse (closest to hole) moves on to the next hole and the losing horse is eliminated.</p> <p>A chip off does not affect the pure alternate shot format – the person who did not hole out on the previous hole tees off on the next hole.</p> <p>The winning horse on each side will play the 18th hole to determine the overall winning team.</p> <p><b>Win, Place &amp; Show</b> payouts.</p> <p>Betting will take place before the event begins. AM play with times to be announced.</p> |
| <b>Apr 29, 2027</b> | <p><b>Closing Day – Step Aside Scramble 8:30 Shotgun Luncheon &amp; Annual Meeting to follow.</b></p> <p>Team event. Play designated tees. Use 3 drives from each player. One score per hole. Select the best drive – that person then “steps aside” and the other players drop their ball within one club length of the selected ball’s position (within six inches on the green) no closer to the hole and hit the next shot. When dropping the ball it must remain in the same condition (sand, rough, fairway). Repeat this process until the ball is holed out. A % of combined handicap index will be applied to the team score at the end of the round.</p> <p>50/50 Raffle</p> <p>End-of-Year Prizes, Awards &amp; Trophies presented</p>                                                                                                                                                                                                                                                                                                                                                                                     |
